### CHRISTMAS MASH UP!

Our pupils and staff have been busy rehearsing, dancing, singing, creating artwork for our latest Christmas production. We have been able to showcase our acting talents as well as green-screening and i-stop motion skills. Some of our pupils got the chance to demonstrate their new drumming skills courtesy of our participation in the Ulster Scots Flagship Programme.

You can access our Christmas Mash Up via the link on our website page or via message sent on Schools NI.

### ACTION MENTAL HEALTH

This year our chosen charity is Action Mental Health. We look forward to having them in school for their Healthy Me and Healthy Lkttle Me programmes which support mental health awareness and resilience training.

So far we have raised a magnificent £729 through the following activities:

Toy Sale: £118

In lieu of Christmas Gifts: £485

Talent Show: £126

Thank you for your support!

## CASH FOR CLOBBER COLLECTION

We are raising funds for Eco work around school through a Cash 4 Clobber collection. Please leave bags into school by Tuesday 11th January 2022. Our last collection raised £112.

During the Christmas holidays might be a good time to finally sort through those bulging wardrobes [ we all have them!] Send in : Shoes, clothes [any condition], blankets, old towels, duvet covers etc. no matter what condition.

⇒ **PARENT PAY**

*From the beginning of January we are introducing a **Monday morning cut off date** for school dinners. All meals should be booked through Parent Pay by midnight Sunday. If for any reason you cannot get logged on, then email [emaguinness300@c2kni.net](mailto:emaguinness300@c2kni.net) by **Monday 9am** with your child's meal choices. With increasing school numbers, staff spend too much time checking and re-checking dinner numbers which is time that could be better used with our pupils.*

⇒ **PUNCTUALITY**

*School begins at 9am when we begin Huff and Puff. This is an essential part of our Healthy Kids PE programme and not an optional extra! Pupils should aim to be in school by 8.55am to be ready to begin Huff and Puff at 9am. We are aware of several pupils who are consistently late for school and would ask that parents set a good example by being punctual for school.*

**OUTDOOR PLAY PROJECT**

**We are delighted to be able to showcase our good practice through a series of EA TV videos of our outdoor play that will be recorded during January and February. A video crew will bring a drone, go-pros and cameras to capture our P1-3 pupils at play.**

**These videos will then be shared across the entire school community of NI.**

**This is a fantastic opportunity to promote our school and the good practice within. We hope**

**to have a tidy up morning in preparation on Sat 15th Jan 9-12noon.**
