Please note: Removing pupils during school term time is not recommended. Parents should not book holidays during the school term (See School Attendance Policy). Staff cannot prepare work in advance for children who are on holiday and very often these children miss vital work during their absence. The school is required to inform the Education Authority when a child is removed from school for a holiday. This information is recorded and may be used by the Education Authority in situations such as Special Educational Needs Assessments etc. We trust you will book your holidays in accordance with this list.

School Development and Transform Ed Training Days are when staff are in school for training, but pupils are not.
